

GLOBAL MANAGEMENT PROGRAM

**Join the Global Management Program (GMP) in June – July 2022.
Interact with multiple business experts and like-minded students
from around the world**

Fast Retailing, group parent of the global UNIQLO clothing brand, is offering a unique opportunity for motivated, high-achieving young people from all corners of the globe to together. Join us to devise exciting possibilities for a dynamic, innovation-driven company that is focused on nurturing strong managers, celebrating diversity, and pursuing a responsible, sustainable business.

Apply right away and join one of the world's fast-growing companies!

ABOUT GMP

- | GMP is a 5-day intensive online program in which you are provided with a unique opportunity in having business sessions with market specialists in order to know more about our industry and business.
- | During the 5 Days, you will be asked to tackle some global issue and find your own solution toward it through collaborating with other students from different backgrounds and discussing with business specialists.

SAMPLE FOCUS TOPICS

- | Global Customs and Customers
Powerful global change along with UNIQLO's revolutionary new materials and clothing concepts have transformed lifestyles over the past 20 years. What lies ahead in the next two decades?
- | Innovative Sustainable Models
Developing a customer needs-driven, responsible business operation model that makes, transports and sells only what is necessary.

LEARN HOW TO

- | Develop international vision and a desire to become global business professionals.
- | Ensure businesses grow in partnership with society and social needs.
- | Interact with senior management and tackle today's latest business challenges.
