

# International Internship Pilot Program

Join our top  
research team  
Immerse yourself  
in our vibrant culture

## Welcome to TAIWAN

### Subsidy Items

NSTC will provide each participant with a **subsidy of NT\$1,000 (approximately USD 30) per day** for an internship period ranging from a minimum of **28 days** to a maximum of **90 days**.

The PI will receive **NT\$10,000 per intern hosted** as an internship operating expense.

### Internship period and Quota

Up to **600** interns will be accepted in 2025.

Interns may begin their internships, lasting from **28 days** to 90 days, at any time between **June 2025** and **December 2025** after acceptance.

Applications must be submitted by September 2025.

### Eligibility

Eligible applicants are undergraduate and graduate students of foreign nationalities studying abroad. Applicants should have expertise in Taiwan's key science and technology fields, including humanities and social sciences.

### Host Institutions

Host Institutions primarily include universities, research institutions, and laboratories in Taiwan.
