

# e-CASE and e-Tech 2011

Tokyo, Japan

19-21 January, 2011

## CALL FOR PAPERS

<http://www.e-case.org/2011/>

### GOAL

The 2011 International Conference on e-Commerce, e-Administration, e-Society, e-Education and e-Technology (e-CASE and e-Tech 2011) will be held in Tokyo, Japan. As did in the past four years, the conference aims to provide an international platform for academicians, practitioners, industry specialists/researchers, and graduate students from all over the world to present their research results or report the latest trends in e-Commerce, e-Administration, e-Society, e-Education, and e-Technology. Great collaboration opportunities in research and/or application can be achieved via the conference.

### AWARD

All papers or abstracts must be submitted electronically in DOC or PDF format via the conference website. Notably, only full papers will be considered as competitive papers. Of the competitive papers, around 8-10 percents will be awarded as Distinguished Papers, which will be announced in the opening ceremony. Three Best Papers will be selected from respective fields and awarded with a medal and cash US\$ 500.

### PUBLICATION OPPORTUNITIES

All full papers presented at the conference will be considered for possible publication in the International Journal of Cyber Society and Education (IJCSE), a referred and series publication of e-CASE & e-Tech conference with ISSN . Competitive papers will be recommended for fast-track reviews to the International Journal of Business and Information (IJBI) that agrees to publish a special issue .
